

Liqui Moly Invisible Glove 650ml

Liquid Hand Wash Paste

Protects hands from stubborn dirt. Protects against oils and greases, soot, paints, adhesive, brake abrasion, primer, etc. Rejuvenates hands with elastin. Silicone-free, breathable. With a skin-friendly pH value of 5.5. Dermatologically tested. Optimal in combination with LIQUI MOLY Liquid Hand Wash Paste (part no. 3354).

For preventative protection against dirty hands.

Application

Evenly distribute on clean, dry hands. Pay particular attention to rubbing into the sensitive tips of the fingers. Repeat the application depending on how frequently you wash your hands but at least every four hours.

Properties

- Dermatologically tested
- Dirt-repellent
- Protects and cares for the skin
- Skin-neutral
